R3 FACTOR® SKIN DEFENSE CREME

Retain. Restore. Renew. Alpha hydroxy acids, also called fruit acids, exfoliate and loosen dead skin cells by dissolving the natural glue-like substances that allow dead skin cells to cling to the surface for far too long. Old skin cells create a barrier, so getting rid of these allows the other ingredients, vitamin E, retinyl palmitate and soluble collagen to go to work on restoring skin's moisture and renewing its appearance. This defense creme is like a personal bodyguard to your beauty.

ALOE PROPOLIS CREME

A well-loved, flagship product because it features our two prized ingredients: aloe vera and bee propolis. Bee propolis is a resinous substance bees use to fortify and protect their hive. More important than a hive is your skin, which needs protection and a natural barrier to help keep moisture in. One sniff of Aloe Propolis Creme and you can tell it's filled with herbal and botanical ingredients like chamomile. This thick balm is also filled with vitamins A and E.

This jack-of-all-trades lotion is versatile enough to apply to troubled spots, your entire body, or is even gentle enough to use on your face before applying makeup. Vitamin E, oils and chamomile extract all help replenish lost water and maintain your skin's natural pH balance while keeping it silky, smooth and soft.
